Attachment Number 16

Inspector General's Recommendation Number 16, Page 70

Recommended DCI Action: Disapprove

Inspector General's Statement

Recommended that:

25X1A6a

Chief, WE Division, not extend the present assignment of Chief of Station, [REDACTED] beyond his present tour; that particular care be exercised to develop a next assignment that reconciles the conflict between area specialization and need for diversification present in his career.

DD/P Comment

Non-concur.

25X1A6a

This problem has been discussed with Chief of Station, [REDACTED] and, after weighing all factors involved, the decision has been made to continue him for an additional tour as Chief of Station. He is the best qualified person available to the Agency for this position in this sensitive area and he concurs that this assignment will not jeopardize his career.

25X1A6a

25X1A6a

[REDACTED] is a difficult area in view of [REDACTED]. The question of specialization and career development is carefully considered in each assignment consistent with the overall needs of the CIA program.
